Six Initiated.

Six candidates were initiated into the degrees of Royal Arch Masonry in this city Saturday. The work lasted from 9 o'clock in the morning until 10 o'clock at night. The gentlemen receiving the degrees were: Judge Adams, of Beattyville; Robt. McLin and O. H. Pollard, Jackson and J. W. Jewell, Geo. W. Clark and Dr. R. A. Irvin, of this city. A team from Mt. Sterling conferred the degrees and it was very ably done.

Wells-Burgher.

Mr. Everett Wells, of Clark county, oldest son of George W. Wells, formerly of this county, and Miss Mary Burgher, also of Clark county, were married at Winchester yesterday. They came to this city on the afternoon train and are guests of Mr. and Mrs. P. D. Todd near this city.

Their many friends in this city and county extend congratulations.

Prominent Men Fined.

Judge J. H. Adams, at Jackson, refused to vacate the bench in the Beach Aargis case and fined both of the attorneys for the defense \$20 for contempt of court in preparing the affidavit on which the motion was made. The State's motion for a change of venue was passed until Wednesday morning.

Orphanage Opening.

The Highland Orphan's Home in this city will be formally opened today. A basket dinner will be served by the people of Clay City who extend to the Matrons of the home and the little orphans too a most hearty welcome into our city.

Death of W. A. T. Mansfield.

The funeral of William Mansfield, who died Thursday afternoon was preached the following afternoon at the residence of his father, R. C. Mansfield, on Pendleton Street, by Eld. J. H. MacNeill and the remains were buried in the Winchester cemetery.

The active pall-bearers were: George Hon, George Tomlinson, Marcus Thomas, Harry Tanner, Lambert Salander and J. B. Cornett. The honorary pall-bearers were: R. S. Scobee, Asa Kidd, B. R. Jouett, William Judy, John Bedford and Will Sphar.

Mr. Mansfield came here from Rosslyn several years ago and soon became identified with the business interests of this city, conducting a large flouring mill in connection with his father. He was a fine business man and took a lively interest in everything pertaining to the good of his adopted city. He was extremely popular with all who knew him and the sympathy of all our people goes out to his be-

reaved parents and devoted wife.
—Winchester Democrat.

Governor Willson has kept his tongue wagging against most every body who would not aid the tobacco trust in its fight against the people until at last he has got in bad. He charged County Judge H. T. Bradford and County Attorney Kinney, of Bracken county, with serious malfeasance in office which they claim is utterly false from the beginning and have sued the Governor for \$50,000 for defamation in character.

The Beattyville News, like some other Republican papers don't like what we have to say about John Langley. We tell the truth as we learn it, and are sorry our Republican Brethren can't see the real facts as they are. The old maxim "the truth is what always hurts" seems to hold good and secure in this case.

Judge Amos Davis is an honest man and well suited for a Congressman. Every Democrat in the district knows this and will do his duty election day. This means a majority of 2,000. It will surely be forthcoming.

How the Editor Gets Rich.

After a good deal of study and work we have at last figured out

why so many country editors get rich. Here is the secret of success: A child is born in the neighborhood, the attending physician gets \$25, the editor gives the loud-lunged youngster and the happy parents a "send-off" and gets \$50. It is christened; the minister gets \$10 and the editor gets \$50. It grows up and marries; the editor publishes another long winded, flowery article and tells a dozen lies about the beautiful and accomplished bride, the minister gets \$10 and a piece of cake, the editor gets \$50. In the course of time it dies, and the doctor gets from \$25 to \$100, the minister perhaps gets another \$10, the undertaker gets from \$50 to \$100; the editor publishes a notice of the death and an obituary two columns long, lodge and society resolutions, a lot of poetry and free card of thanks, and gets \$5,000. No wonder so many country editors get rich.

We Want The Orphans.

The Highland Orphans Home at Clay City is ready for the orphan girls in themountains. It is a large three story brick house, beautifully situated at Clay City. It is owned by the Society of Soul Winners, and supported by good people everywhere. Orphan girls between the ages of five and thirteen, will be received, if eligible. We hope to take the boys later. Before they are sent, we want to know the name, age, health, character, etc., etc. Only those who have neither father or mother will be received at present. We request all those who have any such children to write to Dr. Edward O. Guerrant, Wilmore, Ky. Also will thank all ministers and county officers to give information as to any such children. The Home will clothe, educate and care for these children, for His sake who loves them. There is not a better home in Kentucky. Write at once to Dr. Edward O. Guerrant, Wilmore, Ky.

The Rev. Morrison's Reply.

The Rev. H. C. Morrison, editor of the Pentecostal Herald, in reply to a large number of letters to him about his editorial against Taft, says:

As I shall not have time to answer the many communications coming to me with regard to my recent editorial protesting against the election of a man to the presidency of these United States, who denies the Deity of Jesus Christ, I will answer them, one and all, at this time, through the columns of the Herald. Among these communications, coming from every quarter there has been only one of adverse criticism.

This one calls attention to the fact that Mr. Taft has said kind things of missions, the church, etc., to all of which I simply answer, Mr. Taft is a Unitarian. Jesus Christ was all He claimed to be, or He was an impostor. He claimed to be one and equal with the Father. He said "He that hath seen me hath seen the Father." This the Unitarians deny.

Of course, they have many ways of wriggling in and out, explaining and hair-splitting, but they are a curse and blight to any community in which they exist, in sufficient numbers to give them influence. The Christian Church does not, cannot recognize them or fellowship with them as Christians. I believe it would be a great national sin, and bring on a great national calamity to elect a man our chief magistrate who has the views with regard to Christ that a Unitarian must have.

To the large number of friends who have sent me word of approval and congratulation, I return my thanks. But for the candidate's Unitarianism I should never have said a word. It startles and saddens me to think of the great, greedy, godless corporations and conscienceless

money kings uniting their tremendous influence to put this man upon the throne of power.

Wants No Tainted Money.

There are no secrets in this Campaign. Strictly practicing what he preaches, Mr. Bryan would not win victory with tainted money paying the election expenses.

Not a dollar is to be accepted which requires any promise, either express or implied, other than for honest, impartial government.

Mr. Bryan will enter the White House absolutely free from entangling alliances, free to serve all classes of honest citizens alike, or he will not enter at all.

Hence the course is plain. The campaign of Bryan and Kern must be conducted by the people.

The people must pay the necessary campaign expenses if they want public servants who will serve their interests.

Special interests and favored classes, having secured "swollen fortunes" by purchasing favors in the past with millions contributed to control elections, stand ready to give millions more for continued favors. But that class never gives a dollar unless it buys a pledge.

Mr. Bryan says, from March 4th, 1909, "let the people rule."

This can come only if the people pay their own bills, and control their own elections.

"Beware of the trusts 'bearing gifts.'"

That policy of the favored few buying a mortgage on the Government meant that the candidate for president knew a few people only in an entire State.

Bryan says, "We will take the cause of people's rule home to the people and will know people in every country."

You can serve the grand cause of popular government.

The Right Kind of a Boy.

Don't laugh at a boy who magnifies his place. You may see him coming from the postoffice with a big bundle of his employer's letters, which he displays with as much pride as though they were his own. He feels important, and looks it, but he is proud of his place. He is attending to business. He likes to have the world know that he is at work for a busy concern. The boy who says "we" identifies himself with the concern. Its interests are his. He sticks up for its credit and reputation. He takes pleasure in his work and hopes to say we are in earnest. The boy will reap what he sows if he keeps his grit and sticks to his job. You may take off your hat to him as one of the future solid men of the town. Let his employer do the right thing by him; check him kindly if he shows signs of being too big for his place counsel him as to his habits and associates, and occasionally show him a pleasant prospect of advancement.

A little pride does an honest boy a heap of good. Good luck to the boy who says "we."

White for Judge.

At the Democratic Convention held at Jackson Tuesday, Hon. J. B. White, of Irvine, was nominated for Circuit Judge by acclamation, and A. H. Stamper, of Wolfe county, was nominated for Commonwealth's Attorney. A good selection and a winning ticket, we confidently do believe.

A good opinion of yourself, backed by brains and bullion, will be convincing to your neighbor.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE FORD'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not imitate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

Suffering Ladies

are urged to follow the example of thousands of their sisters and take Cardui. Cardui is a non-mineral, non-intoxicating medicine for women. It is for sick, weak ladies, with sick female organs.

TAKE CARDUI

It Will Help You

It is a genuine, curative medicine, that builds up the female system and relieves female pain.

Mrs. M. A. St. Clair, of Eskdale, W. Va., writes: "Before taking Cardui, I had given up all hope of getting well. I had suffered for 3 years with my left side and was confined to my bed, so I took Cardui, and now Cardui has about cured my female trouble."

Used occasionally as a dip and spray it will keep the livestock in a healthy and thrifty condition. LETTERS FROM USERS OF THE Syracuse "EASY" Washer

"Your machine is a complete success. I learned more about washing out of your little booklet than I ever would have from all the women you could stand in a row. I have been paying \$1.35 a week for washing when I can do the same in two hours with the 'EASY'." J. M. BYRD, Hampton, Va.

"We have tried the 'EASY' and find it just as you represent it and the only washer I ever saw that does the washing clean without rubbing on the board. It is easy to work and does the washing thoroughly. It certainly has no equal." E. R. LIGGETT, R. D. 1, Box 4, Avella, Pa.

Make the washing easy for one-twelfth of the year at our expense. Wash everything washable in the house. If you cannot make the "EASY" earn its price during the house-cleaning season return it at our expense.

Pages 36-37 of our free book on Washing Formulas give you valuable information on washing flannels.
